Question/Prompt: Did Cook's time in the islands have a good or bad effect on the Hawaii and its people? Explain at least three details to prove your answer.

Write your response below.

+4

Cook's time had a bad effect on Hawaii and its people because Cook was killed trying to capture the Chief. It was also bad because he got his iron nails stolen from him. He also didn't find a short-cut from England to Asia to get spices.
